## **ARTICLING STUDENT POSITION 2018/2019**

### **GENERAL**

Legal Help Centre of Winnipeg, Inc. (“LHC”), located in Portage Place in Downtown Winnipeg, is a non-profit organization with a mandate to help disadvantaged members of our community understand and access their social and legal rights by providing referrals, legal assistance, information and education.

LHC arose from the findings of *Making the Law Work for Everyone*, a report of the United Nations’ Commission on Legal Empowerment of the Poor. A joint initiative of the legal profession and the Universities of Winnipeg and Manitoba, LHC opened its doors to the public on February 11, 2011 and received charitable status in November 2011. Services are provided by a small staff supported by volunteer lawyers and students from a variety of disciplines. LHC’s staff currently consists of an Executive Director, two full-time lawyers and administrative support staff. LHC is governed by a Board of Directors (made up of lawyers, community representatives, academics and students), all of whom play an integral role in our operations. For more information on “Who We Are”, please visit our website <http://legalhelpcentre.ca/>.

LHC provides information, summary legal advice and representation (in certain circumstances) in a number of areas of law, as set out below:

### **ARTICLING OPPORTUNITY**

LHC has one articling position available for the 2018/2019 year. The articling student will work in all areas of LHC's service delivery, including interviewing clients on a daily basis, conducting legal/social research and managing/conducting client files. The articling student will also draft court documents in family law, civil law and estate administration and will argue matters in Family Motions Court and Small Claims Court.

The articling student will be provided with an office and access to administrative support staff.

#### **How to Apply:**
