For 15 years, Legal Help Centre has worked to ensure that access to justice is not determined by income or circumstance. Through free legal information, summary advice, and referrals, we support underserved individuals and families navigating complex legal systems with dignity and confidence. We've helped thousands of Manitobans access legal support when needed most.

We invite you to join us in celebrating 15 years of supporting the community, promoting access to justice and enhancing student learning. This milestone event will be an evening cocktail reception featuring remarks and reflections, opportunities for connection and a celebration of our collective achievements. As we honor our supporters, donors, and volunteers, we offer various levels of sponsorship for those looking to make a lasting impact on the Legal Help Centre's continued work.
